

Are you an artist that wants to help vulnerable people discover hidden talents and new skills?

Do you want to be part of an exciting organisation that helps to change lives?

Do you have two hours to spare once a week?

If you have answered yes to any of those questions why not apply to be a Volunteer Art Group Facilitator at Aurora Project Lambeth today?

We have a fantastic opportunity to host a small Art Group at Aurora Project Lambeth, based in Brixton.

The art group has been running for a few year and we believe that having a space to learn new skills and practice existing skills can help individuals gain confidence, build social networks as well as creating a space for positive critical thinking, which can help people cope with difficult experiences.

All materials will be supplied and some training around working with individuals in treatment for substance use will be available.

You will join a team of dedicated, supported and wonderful volunteers.
